

A close-up photograph of a brown leather surface, likely a bag or suitcase. A prominent white seam runs diagonally across the frame. The word "PRIVÉ" is printed in white, uppercase, sans-serif font, centered over the leather. The lighting is soft, highlighting the texture of the leather.

PRIVÉ

**Some say your home
tells the story of
who you are.**

PRIVE is constantly inspired by the simple meanings of what makes a home. We rightly celebrate what it means to have a place to belong to while also highlighting the uniqueness of each personality.

Picking the finest raw materials is key as we carefully select premium wood and fabric to create a modern feel, while also paying homage to the finesse of a classic style.

A home is a place where we can embrace the comfort and warmth of our lives, and PRIVE is set to deliver charming, elegant, and innovative pieces to satisfy your aesthetic sense while also fulfilling your every need to make the perfect home.

A modern outdoor lounge chair with a blue-grey fabric finish. It features a curved backrest, a wide seat, and a side pocket with a light-colored leather-like strap. The chair is positioned on a concrete patio.

A small, dark wood side table with a round top and four legs. It holds two books: one with a yellow cover titled "UN DESIGN" and another with a blue cover titled "What's Your Style? Enter a Con...".

A patterned rug with a mix of blue, white, and grey tones, placed on the concrete patio in front of the chair.
